

Welcome to 'Take a Bow': a Cafe that Applauds Your Tiny Victories

Nestled amongst the cool, green surroundings of The Sphere, Bangsar South, an intriguing new cafe opens its doors to the public.

A cafe inspired by British and European fare, Take a Bow conveys a simple but heartfelt message behind its quirky Charlie Chaplin-esque visual identity and country-style rustic interiors.

Let's Celebrate the Tiny Victories

Conceived as a tribute to the unsung heroes amongst us who stepped up during the pandemic, we would like to say thank you and invite you to 'take a bow' in recognition of your daily efforts and achievements.

Let's celebrate not just the big wins, but also our tiny victories, and reward ourselves with scrumptious treats! Life's too short not to.

Taking Our Cue from Charlie Chaplin

Modelled after Charlie Chaplin, one of the greatest icons of comedy and humour from the silent film era, the Take a Bow logo features a retro depiction of a cheeky, energetic squirrel.

Also named Charlie as an homage to Chaplin, the squirrel embodies the brand's values of quirky humour, fun, and generosity, illustrated in his signature pose of taking a bow in an animated fashion.

Heartwarming British Fare & Mouthwatering European Desserts

Take a Bow offers all-day dining with a laid-back menu featuring brunch favourites, seasonal lunches, indulgent treats for afternoon tea, and heartwarming dinner plates. Drawing inspiration from continental cafes, the menu features a modern multicultural take on British classics and European staples.

Thoughtfully designed to cater to an international palate, almost everything on the menu is made in-house using locally sourced fresh ingredients and produce, seafood, and meats.

The inclusive menu also offers delicious vegetarian dishes and housemade vegan drinks. Examples include a delectable Vegetarian Wellington with roasted beetroot as the ‘tenderloin’, and a range of exotic vegan milk blends such as the Golden Spiced Milk made from almond milk, turmeric, cinnamon, and raw honey.

Take a Bow’s signature dishes include popular British classics: Sunday Roast with a choice of meats, pork-free Gala Pie, and hearty Fish & Chips, while the mouthwatering dessert menu features Giant Palmier, Pistachio Basque Cheesecake, and Cannoli, amongst others.

Our signature beverages are equally captivating, from Craft Cola made with spices, kola nut, and citrus (without any artificial flavouring), to our lavish Viennese Einspanner coffee.

There’s something for everyone at Take a Bow. Enjoy a leisurely meal in our cosy and relaxing urban oasis, or grab a coffee and a slice of pie to go from our pastry counter.

A Laid-Back Retreat to Unwind & Enjoy Life’s Simple Pleasures

Modelled after lush green surroundings of the European countryside, Take a Bow offers a laid-back retreat with open, green spaces, alongside warm, welcoming interiors with earthy, rustic chic.

A quaint little cottage room tucked in a corner adds a farmhouse vibe while draping plants encircle the outdoor area for a garden atmosphere. Indoors, you will find a cosy, communal sofa and a couple of standing tables near the drinks bar for free and easy socialising.

Whether you’re looking for a place to unwind, socialise, or celebrate your tiny victories, Take a Bow welcomes you with open arms.
